

## NEWSLETTER

Dear Parents and carers,

Welcome to our first newsletter of the year. What a busy start to our first couple of weeks. Most children have settled in really well. Emma has started with us this week, so our staff team are as follows:

Wendy - Director

Crystia - Deputy Manager

Emma - Duty Supervisor

Hayley - Early Years Teacher

Debbie - Early Years Practitioner

Porsche - Early Years Practitioner

You will shortly receive information about your child's key worker.

### HOT LUNCHES:

Please could parents confirm whether they wish their child to have a hot, cooked lunch. The cost is £2 per meal and is bookable for the full half term. There is a form at the end of this letter.

### SESSION TIMES:

Since some parents seem to favour an earlier start, we will be changing the session times slightly to accommodate this. Therefore dropping off in the morning will be between 8am and 8.30 am, which will include breakfast, and 8.30 am to 9am, then 9am onwards drop off. This will be charged at the current rate of £4 per hour/£2 for half an hour.

### BABY MASSAGE/YOGA

Next month we are hoping to start baby yoga/massage sessions. More details to follow.

### WEBSITE AND APP:

We now have our brand new website up and running. Please take a look as it provides lots of information. In the next week or two we will also have our new App up and running, which we are very excited about, so hopefully the next newsletter will be sent via the App.

### CHANGE OF CLOTHES:

Please ensure your child attends with a full set of a change of clothes. You may leave a bag of clothes here if more convenient, but please make sure their name is on the bag.

### LEARNING JOURNEY/RECORD SYSTEM:

We are currently trialing a brand new app, which is not yet available on the market. Please bear with us whilst we get used to this new system and iron out any snags with the developer. It should provide us with a really comprehensive system once established with some fantastic elements such as daily diaries available in real time via the app as well as video observations.
